United We Fight, United We Win,
LIVE UNITED is about our community coming together to provide hope and solutions to our most pressing challenges. As a local organization, Spokane County United Way understands the issues we face and works to connect programs, dollars, and people like you to create solutions together. United, we can take on what feels like impossible challenges.

United, we stand up for children facing child abuse and neglect. United, we create opportunities for youth to succeed. United, we confront domestic violence, homelessness and hunger. United, we fight against the big problems.

Most importantly, united we do win. Successes happen in our community because of you. United Way cannot fight without you. Because change doesn’t happen alone, I ask that you LIVE UNITED.

Tim Henkel
President/CEO
Spokane County United Way

Spokane County United Way fights for the health, education, and financial stability of every person in our community.

UNITED FOR OUR COMMUNITY
Spokane County United Way is a local organization. Funds are raised locally and are used right here in our community. Learn more at UnitedWaySpokane.org/financial-accountability

UNITED WE FIGHT. UNITED WE WIN. LIVE UNITED.

Spokane County United Way fights for the health, education, and financial stability of every person in our community.

Community Challenges
Spokane County’s child abuse, neglect, and domestic violence rates are nearly double the state average.

Only 1 in 3 children enter kindergarten ready, and low-income and minority youth are less likely to graduate on time.

38% of families in our community live paycheck to paycheck putting them at risk of homelessness. In fact, nearly 3,000 schoolchildren experienced homelessness last year.

Donor Funded Solutions
Your donation provides safe homes through parental support programs, mental health and substance abuse counseling, and emergency shelters.

You help children succeed in school by funding high-quality early learning, after school and summer programs, and targeted services to youth at risk of not graduating.

Your generosity gives new opportunities for people by providing skills-based trainings, financial classes, affordable housing, and a holistic approach to getting basic needs met.
