

2019-2020 Community Engagement Opportunities

When we partner together, we create greater impact for our community. To serve you better, please indicate the opportunities below that you would like to have one of our team members contact you with further details.

Volunteer Opportunities

- Corporate Team Opportunities** - use Volunteer Spokane to easily find your next team event. Our team is happy to assist you to ensure your next event is a success. **Volunteer opportunities can be tailored to your time frame needs.**

We would like to volunteer:

- Monthly
- Quarterly
- Semi-annually
- One time
- For Spokane Gives- occurs every April and provides hundreds of opportunities throughout the month for teams, individuals, and families.

- On-site Volunteer Projects** - Let us bring your next volunteer opportunity on-site to your location. This style of volunteerism can help you include more team members, especially for shift work environments. Projects include assembling hygiene kits, literacy kits, snack packs, or new moms kits. **This opportunity time frame is dependent on the quantity of kits and number of employees participating.**

Workplace Presentations

- Emerging Leaders Society** - With over 150 active members and monthly engagement opportunities this group is changing the face of philanthropy in our community. Gather a team of your leaders to be inspired by leaders in other companies and learn how they can join. **This opportunity can be adjusted to your needs we do recommend a minimum of 15 minutes. Consider hosting a lunch and learn.**
- Nonprofit Guest Speakers** - We work with over 30 local nonprofits who are ready to share in depth about the lives you and your team change with your gifts to United Way. Our team will arrange all of the details. **This opportunity can be adjusted to your needs we do recommend a minimum of 10 minutes.**

Community Events

- Day of Impact**- Join us for a memorable experience. Spokane County United Way is bringing hundreds of people together in one day to experience and discuss issues our community faces around financial stability, educational opportunity gaps, and racial equity. You can participate in the ALICE Challenge where you will experience the financial difficulties that are real for 38% of local families. If you had the opportunity to be part of this experience in the past, please register for our NEW racial equity training and discussion forum led by United Way's Accelerate Success team. **Hemmingson Center (Gonzaga University), Tuesday, September 17, 2019.**
- OVATION**- Join us for an intimate evening at the Fox Theater as we celebrate companies and individuals for their local philanthropy, share the impact we create together for our community, and announce our campaign total. **Fox Theater.**
