

SPOKANE COUNTY IMPACT

All 30

United Way of Spokane
County Partner Agencies Serve
Spokane County Residents

1 in 5 Spokane County residents
are touched by a UWSC Partner
Agency in their lifetime.

**In 2024-2025, United Way of Spokane County helped fund programs that
impacted the lives of over 86,000 individuals in Spokane County**

-  **51,000+** meals provided to individuals facing food insecurity
-  **14,000+** youth gained character and leadership development skills
-  **36,000+** visits to local food pantries for essential nourishment
-  **20,000+** people received critical support for basic needs and housing
-  **1,200+** individuals received financial education or job training to build long-term stability
-  **10,789** children received free monthly books through Dolly Parton's Imagination Library

Our mission is to improve the lives and future of all people in the Spokane County community. We bring together individuals and organizations with the passion and resources to understand need and ensure opportunities for every individual to reach their human potential.
